**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am opposed to all anti-competitive changes to rules and regulations regarding computer networking and broadband access in the United States.

Broadband access to all, with spirited competition between at least three unrelated entities should be the goal of the FCC.

Content should not be regulated by broadband providers.
